Clinic Services

Why Luna Women's Wellness?

The Luna Women's Wellness Clinic was organized by women at the Quesnel Women's Resource Centre so that women's health needs could be met and treated within a convenient, caring female empowered environment.

A new alternative for women's health.

Pap Smears

STI Testing

Breast Self Examinations

Pregnancy Testing

Emergency Contraceptive

Birth Control

Public health Nurses are on site to deliver women's health

*services every **Thursday** from **12pm to 4pm**. There is no need to make an appointment; the service is confidential and free to the public. Each appointment can take up to an hour to allow each woman time to ask health related questions or discuss any concerns.*

Feel the Luna Wellness Difference

The Luna Women's Wellness Clinic has free child minding space on site for those in session with a nurse.

There is coffee, tea and snacks for women and their children.

Children are welcome at the Luna Clinic.
