## Quesnel Women's Resource Centre

*Many Voices, Many Paths* is the theme for this year's National Victims of Crime Awareness Week occurring April 10th—16th. It recognizes that each victim of crime navigates a different path towards healing.

The Quesnel Women's Resource Centre will commemorate the Week by holding an Open House Event, April 13<sup>th</sup> from 10 am - 4 pm, made possible through sponsorship with the Department of Justice Canada.

Our open house event will allow our organization to raise awareness around the issue of violence against women and to the information and services that our organization has available for women to access. Our open house will also allow people to view Quesnel's first ever Clothesline Project. Stop by to learn about the services we offer, meet our staff, and tour the Centre.

Remember that if you or someone you care about is experiencing abuse there is help available. Please call the Women's Resource Centre for more information.
